

Urgent – Marketing Intern Position in NY Dynamic Credit Partners

Role:

Dynamic is looking for an enthusiastic individual to join its marketing team as a summer intern.

The ideal candidate would be a student in Business Administration, interested in marketing and would be available to start at the beginning of June for 3 months.

As a marketing intern, you will be working along the side of the CEO:

- helping in the preparation of marketing materials for our advisory and asset management businesses
- conducting research for new prospects and participate in special projects
- serving as a liaison to institutional investors, and complete due diligence requests
- planning and coordinate the firm's marketing effort at conferences and road shows
- performing website maintenance

Compensation:

To be discussed.

Description of Dynamic:

Dynamic Credit Partners, LLC is an investment management firm specializing in structured finance. Dynamic was founded in 2003 by Jim Finkel and Tonko Gast and has offices in New York City and Amsterdam.

With 23 professionals, Dynamic has approximately \$4.5 billion notional under management across 9 investment vehicles, comprised of over 1,000 positions.

Dynamic provides advisory services for investors and third party service providers (legal, audit, insurance providers, etc.) and other financial professionals who require valuations and risk analysis on whole loans and structured credit securities.
